Volunteer and Work
Go Camping

There are two primary ways to work at our sites: as a paid staff member or as a volunteer. For paid positions, visit gocamping.org for the most current job postings. To volunteer, contact the directors of each site to see which events need leaders, hosts, counselors, health care providers, and resource volunteers, or to help with the physical upkeep needs of each site.

Because our sites strive to be safe sanctuaries for all who visit, all volunteer and paid staff must:
1. Complete an online Information and Disclosure Page;
2. Initiate the process for a confidential criminal background check;
3. Attend training and planning sessions offered at the site and with the leader of your event;
4. Complete a health form; and
5. Commit to be present to the ministry of the site. Whether you are working with a small group children or youth, leading an adult retreat, or helping with the physical upkeep of a site, your committed participation is valued.

Many individuals have found their relationship with God in community by being a camper, and many more have further found their life’s vocation by working at camp.

Physical requirements may include prolonged standing, bending, stooping, walking long distances, hiking, climbing, and stretching; may require hand-eye coordination and manual dexterity to manipulate outdoor equipment or camp activities; requires normal range of hearing and eyesight to record, prepare, and communicate appropriate activities/programs and the ability to lift up to 50 lbs; a willingness to live in a camp setting and work irregular hours with limited or simple equipment and facilities; and daily exposure to sun, heat, and animals such as bugs, snakes, bats, etc.
Camp Latgawa offers activities for all ages, some of the favorites: a natural waterfall slide and swimming hole, hiking and backpacking trails, volleyball, ping pong, basketball, horseshoes, a meditation labyrinth and swimming in our solar heated pool.

We are proud to serve home cooked, family-style meals in our cozy dining hall, including homemade breads/desserts and fresh salads. We pride ourselves on healthy and delicious, scratch-made food, including fresh-baked bread!

We will take time to sew and piece together our individual projects, as well as enjoy the natural beauty of the camp and some of the festivities at the Sisters Quilt Show. Throughout the retreat we will also share the fabrics that are woven together in our lives. Together we will celebrate and strengthen the spiritual threads that bind us together in God. Head home renewed in body, mind, and spirit.

Morning and evening biblical exploration and discussions are included, as well as Sunday worship. Accommodations are in Wesley Meadow Lodge, while meals are served in Pioneer Dining Hall.

$295 | A $75 non-refundable deposit is required to register.

Suttle Lake Camp offers Winter Youth Retreats from January-March. Youth groups are invited to come away to the mountains to enjoy a time to play and learn together. Groups will enjoy stronger relationships and shared memories, as well as connecting with other youth groups.

Churches will come together for large group times for worship and recreation. A shared message and scripture will aid individual church groups in spending small-group times to go deeper with these reflections. Free time opportunities will offer time to create, play, enjoy being outside, and time to relax. Think snow and look forward to the tubing hill, hikes by the lake, drinking hot chocolate together, and fun times.

**WISE HEART ADULT RETREAT**

What is it your heart desires? What is the longing of your soul? The pandemic has left many of us exhausted as we have spent our energy in mitigating potential illness and worrying about our loved ones. Add to that the daily general anxiety of climate change and cultural polarization. Allow the Wallowa mountains to call you to a time of focused renewal!

During this Sabbath experience you will have the opportunity to rest in your quiet center and nurture what longs to spring forth. We will be using a variety of modalities that will allow us to be present to our embodied wisdom. Some of these include: gentle yoga, meditation, journaling and plenty of time to simply luxuriate in this mountain setting.

Facilitator Beth Estock is a certified master leadership coach, yoga instructor and United Methodist pastor. To find out more, go to: https://www.bethestock.com.

DETOX! MEN’S RETREAT: THE SPIRITUAL PATH OF JESUS FOR MEN

The souls of men in the 21st century are in a crisis of “toxic masculinity” acculturated into violent, sexually exploitative, misogynistic and racially intolerant behaviors and ways of thinking.

2,000 years ago, Jesus of Nazareth provided a cure. setting the lives of men on fire and turning the world upside down. He challenged violent presumptions, treated women as equals and showed men how to love their enemies and serve the least-values and outcast of society. The love of God Jesus revealed was so powerful that human history divides itself according to His life. The world needs turning, and Jesus needs men whose hearts are ready for the challenge.
